What a year! So many highlights and many more exciting projects! It's been an honour collaborating with our clients and partners, working on metropolitan and regional projects, and learning from places like Adelaide, Vienna, Milan, Singapore, Hobart, Newcastle and Melbourne (to name a few).

**LOOKING TO 2018**

In January, I've been invited to speak at a Placemaking event in Jakarta, Indonesia. We're also excited to be doing more regional work back in NSW, visiting several towns for a new engagement project.

**CLIENTS AND PARTNERS**

**THE JOC TEAM**

**IN 2017 WE CELEBRATED 5 YEARS OF JOC!**

Our Director, John O'Callaghan was also invited as Keynote at the PIA QLD State Conference and selected as one of 50 global urbanists to attend the Vanguard Conference.

Isabel Virgona travelled to Vienna for a housing affordability study tour and while back at full time study in 2018, we're excited to have her continue with JOC in a part time role.

Our Creative Urban Planner, Connie Steers, joined us full time and has enrolled in a Masters of Urban and Regional Planning at the University of Sydney.

Our Designer, Luschia Porter continued to provide us with creative, engagement and social media services. Our newest member to the team, Matthew Salamone supported us with research, project logistics and engagement tasks. And looking to the new year, we're excited to announce Grace Fryar will be joining us full time as a Planning Assistant.
